EXPERIENCE

Lead Graphic Designer | Hardwood OUTLET LLC

June 2010 – Present

Responsible for a variety of projects big and small. I work very close with the owners to develop and deliver the best results for every project. My experience at Hardwood OUTLET has helped me develop a very efficient workflow with a variety of media and design applications. Below is a list of some of my responsibilities at Hardwood OUTLET.

- Branding
- Web design (responsive)
- Interactive forms
- Developing signs
- Working with outside vendors
- Sales and customer service
- Package design
- Legal forms
- Building plans
- TV commercials and online ads

Lead Graphic Designer | Blue Apple Productions

November 2015 – May 2017

Blue Apple is an event and entertainment company with a mission to provide the greatest entertainment services across the North Eastern United States. I worked very close with the president to create a fun and exciting experience for all of our clients. Here is a brief overview of my responsibilities at Blue Apple:

- Branding
- Web design (responsive)
- Sell sheets
- Interactive forms
- Signs and packaging
- Working with outside vendors
- Collaborating with web developer
- Production of event material
- Product diagrams
- Managing photo shoots
- Developing vinyl wraps for equipment

Lead Graphic Designer | Gigabyte Computers LLC

January 2017 – May 2018

This is a small computer repair business, I was the sole designer and this was a great opportunity for me to get hands on experience with the day to day operations of a small business.

Freelance Designer | Catalyst Inc.

March 2015 – May 2015

I worked on a freelance basis, designing everything from white papers to other company branded forms, internal documents and so much more.
